

Energizer Hard Case Tactical Helmet Light

With 10 patents pending, the innovative Energizer Hard Case Tactical Helmet Light features a compact design and waterproof casing. The Helmet Light weighs only 3.5 ounces, including one AA Energizer Ultimate Lithium battery and helmet mount.

The light uses LED technology and comes equipped with four lighting modes:

- High-intensity white
- Blue for light-discipline and medical applications (three varying intensities)
- Infrared (IR) for use with night-vision devices (880 nanometer rating)
- Strobing IR for Identify Friend or Foe capability (IFF – blink rate of two-per-second)

Price: \$85
