## Fallen Heroes Memorial Bench Plaque

DuMor, Inc., U.S. manufacturer of outdoor site furnishings, now offers its Fallen Heroes memorial plaque program. To honor servicemen, policemen, firemen and first responders who have died in the line of duty, DuMor is donating one of its standard custom plaques with the purchase of a steel, wood, or recycled bench from our standard product line. The plaque is made of durable zinc and can be engraved with the message of your choice.

DuMor will donate the plaque and install it, free of charge, allowing a lasting memorial to honor those who have paid the ultimate price in service of their country and communities.

What has MOAA done for me lately?

"Last year, MOAA led a campaign to pass the historic new GI Bill for the 21<sup>st</sup> century that pays for college, helps with room and board, and allows transfer to spouses and children. Yesterday, they saved me 20% on a Dell® laptop."

Military Officers Association of America (MOAA) is the most effective ally you have. Whether you're home or deployed, MOAA supports your career, pay, and benefits aggressively. But that's just the beginning. MOAA also offers financial planning information and tools. Plus affordable supplemental insurance plans and impressive discounts on products and services you use. And when we stand up for you, as the nation's largest association of military officers with 370,000 members behind us, we get results.
