

# Haiti

## Earthquake relief

U.S. Navy / Daniel Barker

U.S. Navy / Candice Villarreal

Response by U.S. service members is massive and swift as personnel and supplies pour into ravaged capital of Port-au-Prince.

U.S. Navy / Candice Villarreal

U.S. Coast Guard / Brandlyn Hill

*Above: Naval Air Crewman 2nd Class Jason Harold of Goldsboro, N.C., transfers a young Haitian earthquake victim from an SH-60B Seahawk helicopter during a medical evacuation in Port-au-Prince, Haiti.*

*Inset, right: Cmdr. Kristine Johnson comforts a Haitian girl while Hospital Corpsman 2nd Class Gina Martinez vaccinated her at a clinic set up by the U.S. Public Health Service.*

U.S. Navy / Christina M. Shaw

*Above: Petty Officer 2nd Class Jose Estrada, from the Coast Guard Cutter Tahoma, rushes an injured Haitian girl to an awaiting Coast Guard helicopter. The Coast Guard and Navy both provided aircrews to medevac the injured to Milot, Haiti to receive additional assistance.*

# Haiti Earthquake relief

U.S. Navy / Brian Finney

U.S. Navy / Kristopher Wilson

*Above: A Haitian boy watches as rigid-hull inflatable boats from the amphibious dock landing ships USS Fort McHenry (LSD 43) and USS Carter Hall (LSD 50) arrive ashore at the New Hope Mission at Bonel, Haiti.*

*Left: A critically injured Haitian patient is loaded into a MH-60S Sea Hawk helicopter for transport to the Military Sealift Command hospital ship USNS Comfort (T-AH 20) for treatment.*

*Below: Colonel Todd Wall, a C-17 Globemaster III cargo plane pilot, takes time out from his job to hold a Haitian baby for a mother who was asleep from exhaustion.*

U.S. Navy / Rachael L. Leslie

*Jeffrey Dolan, safety officer aboard the amphibious dock landing ship USS Fort McHenry (LSD 43) carries an injured Haitian girl to an MH-60S Sea Hawk helicopter from Helicopter Sea Combat Squadron (HSC) 26 to be transported off the ship for further medical care.*

U.S. Air Force / Alvin Johnson

U.S. Coast Guard / Brandynn Hill

*Far left: Air Force Capt. Elberta Carter, an operating room nurse, assists Air Force Lt. Col. Ken Williams, a nurse anesthetist, in caring for a five-year old Haitian boy with a head wound and leg fracture.*

U.S. Navy / Edwardo Proano

*Left: A member of the Medical Treatment Facility aboard the Military Sealift Command hospital ship USNS Comfort (T-AH 20) shares a smile with a female infant during an examination. The infant was accompanied by her mother and was treated by Comfort medical staff for dehydration.*
